Team Involvement in Demonstration

Date	28 October 2026
Team ID	EN25CS3011046
Project Name	Formula 1 Race Intelligence Dashboard

Team Involvement in Demonstration

Only the project owner's name is available in the supplied context. No additional team-member names or actual attendance record were provided, so this document does not invent participants or claim that a live demo has already occurred.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Vijeta Nagda	Project presenter / owner	Project overview, dashboard, Story, and website	Responsible for explaining the solution and navigating published views.	Planned active participation
2	Not provided	Not provided	Not assigned	Member details required from project team.	Cannot verify
3	Not provided	Not provided	Not assigned	Member details required from project team.	Cannot verify

Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	Gouri Sharma is the named project owner/presenter in the available project context; formal team-leader designation was not supplied.
Overall Team Coordination Rating (1–5)	Not rated — no verified team coordination or attendance evidence was supplied.
Any issues during demo	No actual demonstration incident log was provided. Potential risks to prepare for include slow external Tableau loading and charts requiring calculation/axis validation.
How issues were resolved	Recommended preparation: test all links, keep direct Tableau URLs available, verify filters, and avoid unsupported quantitative claims.
